

# APIDAYS MEDITERRANEA 2014

May, 29<sup>th</sup>-30<sup>th</sup> Mobile World Centre, Barcelona

The web 1.0 was readable.

The web 2.0 was social.

Now the web is programmable

through Application Programming Interfaces

a.k.a APIs.

A two-day conference about the API industry with workshops and keynotes about the design, architecture, consumption and business of APIs.
